Use the T tool to type text

Click to import a picture

The eBoard is a place where you can write and draw.

Use the drawing tools to create diagrams

Click options to modify media inputs and other items; some options can only be changed by the presenter

Use arrows to point to things

The presenter can lock the microphone on so that they do not have to hold down the "talk" button to speak

Click to reset to graphic from folder

This is the alternative display with Powerpoint slides, or other graphics, displayed on the eBoard.
